

painless::WorkingStrategy

```
classDiagram
    class painless_Portfolio["painless::Portfolio"]
    class painless_WorkingStrategy["painless::WorkingStrategy"]
    painless_Portfolio --|> painless_WorkingStrategy
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'painless::Portfolio'. A blue arrow points vertically upwards from this box to a white box labeled 'painless::WorkingStrategy' at the top. This indicates that 'painless::Portfolio' inherits from 'painless::WorkingStrategy'.
