

ea::method::Crossover

```
graph BT; A[ea::method::TwoPointCrossover] --> B[ea::method::Crossover]
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box containing the text 'ea::method::TwoPointCrossover'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'ea::method::Crossover'. This represents that 'TwoPointCrossover' inherits from or implements 'Crossover'.
