

Minisat::SimpSolver

```
graph BT; A[core::sat::SimpBase] --> B[Minisat::SimpSolver]
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box containing the text 'core::sat::SimpBase'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box at the top, which contains the text 'Minisat::SimpSolver'. The arrow's tip is positioned just below the bottom edge of the top box.

core::sat::SimpBase
