

SolverInterface

```
classDiagram
    class SolverInterface
    class MapleCOMSPSSolver
    MapleCOMSPSSolver --|> SolverInterface
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'SolverInterface'. Below it is a box labeled 'MapleCOMSPSSolver'. A blue arrow points from the 'MapleCOMSPSSolver' box up to the 'SolverInterface' box, indicating that 'MapleCOMSPSSolver' inherits from 'SolverInterface'.
