

painless::SharingStrategy

```
graph BT; A[painless::HordeSatSharing] --> B[painless::SharingStrategy]
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'painless::HordeSatSharing'. A blue arrow points vertically upwards from this box to a gray box at the top labeled 'painless::SharingStrategy', indicating that 'painless::HordeSatSharing' inherits from 'painless::SharingStrategy'.
