

core::solve::RBSearch

```
graph BT; A[core::solve::CartesianRBSearch] --> B[core::solve::RBSearch]
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box containing the text 'core::solve::CartesianRBSearch'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box above it. The white box contains the text 'core::solve::RBSearch'. Both boxes have a thin black border.
